

JHMC

MAR. DD, 2022

Brought to you by IMSA Mu Alpha Theta, JHMC brings a free, fun, and interactive math experience to 7th and 8th graders. We will virtually hold a series of individual, team, creative, AND speed competitions for students with varying math skills and interests

1 Individual

Students work independently to finish x problems within a given amount of time.

2 Team

Students work in teams of 4 to finish a x problems within a given amount of time.

3 Creative

Students work in pairs to solve questions that require thinking outside of the box.

What is Mu Alpha Theta?

Mu Alpha Theta is a math honors society.
